### JOURNEY AT PECHANGA

Snaking through the native canyons and ravines of the Temecula Valley, Journey at Pechanga is the resort's newest addition: a world-class, 7,219-yard course (Par 72) that rises and falls a breathtaking 300 feet in 18 holes. Journey was designed by the award-winning architects Arthur Hills and Steve Forrest and will challenge even the best pros, with alternate tee boxes giving the casual player a decent shot at making par as well.
